

# **greeNest** Furniture Delivery Assistance Program

In an effort to reduce barriers to service, **greeNest** has created the “**greeNest** Furniture Delivery Assistance Program.” This program will provide a one-time voucher for up to \$100 for participants who must pay for moving services. The voucher can only be used to help cover the cost of using one of the following local moving companies.

How it will work:

1. **greeNest** Program Manager will confirm the need for assistance with the Case Manager of the partnering agency.
2. If you choose to accept the voucher, you must schedule your moving appointment with one of the approved movers.
3. Once the appointment is scheduled, **greeNest** will confirm with the moving company that we will pay \$100 of the moving cost. **You are responsible for paying the remainder of the moving fee.**
4. The moving company will invoice **greeNest** for the amount due and **greeNest** will pay by check directly to the company.
5. Funds for the voucher program are dependent on grant funds. The program will be suspended when all funds have been spent.
