

greeNest Furniture Voucher Match Program

In an effort to reduce barriers to service, **greeNest** has created the “**greeNest** Furniture Voucher Match Program.” This program will provide funds to match participant funds. The voucher can only be used to help cover the cost of furniture and housewares selected at **greeNest** on the visit date.

Participating agency funds cannot be matched. The vouchers are available in increments of \$25 and are limited to a maximum of \$50. The client must pay at least \$25 themselves for the match.

How it will work:

1. **greeNest** Program Manager will confirm the need for assistance with the Case Manager of the partnering agency. Each request for voucher participation will be handled on a case by case basis.
2. If they choose to accept the voucher, the client will be responsible for paying the balance due of the furnishing fee at the time of the appointment in one of the acceptable forms (cash, debit/credit card, cashier's check).
3. Funds for the voucher match program are dependent on grant funds. The program will be suspended when all funds have been spent.
