2022-2023 Annual Impact Report

Dear Friends,

EVERY YEAR, our annual report is our chance to share our proudest achievements for those we serve. The mission of greeNest is to provide access to affordable home furnishings to families transitioning from crisis into sustainable housing. Our motto: We are working together to transform our community, one nest at a time.

In these pages, you will hear from program participants whose lives were transformed thanks to your support. Mothers like Brooke, referred to greeNest after many life struggles, who is now employed, going back to school, and helping others in similar situations. Veterans like Jamie who shared that she "felt alone and lost" until coming to greeNest and was grateful to greeNest for helping her house feel like a home.

This report includes our 2022 financials, as well as numbers that reflect the positive impact greeNest made that year on the lives of people in our community experiencing a crisis. In 2023, we proudly celebrated our 8th anniversary. With your help, we've been able to help thousands of families. By the end of this year, through our Finally Home program, we will have furnished more than 1700 homes and gotten more than 2000 children Up Off the Floor and into their own beds!

We remain focused on building community and bringing together our program participants, community partners, volunteers, and donors. We are driven to be the best we can be for this community and those we serve. We are honored to have been recognized as The 2023 Joel A. Weston, Jr. Memorial Award for Excellence in Non-Profit Agency Management.

As we plan for the future, we recognize that we'll need to grow and expand to meet community needs. Thanks to you, we have been able to provide new beds for every referred child and all the furnishing essentials needed to make a house a home.

We can't do this work alone. We are grateful to the more than 100 partnering agencies who support our participants, and the more than 150 active volunteers who show up every day.

But none of this would be possible without YOU. Thank you for your ongoing belief in our mission to support our community members experiencing a housing crisis. We could not do it without you.

With gratitude,
