

greeNest's Finally Home Program

greeNest provides affordable home furnishings to families transitioning from crisis situations into sustainable housing.

From This..... To This!

***greeNest has furnished over
1700 homes since 2015!***

greeNest's Finally Home Program provides gently used furnishings for individuals and families experiencing a housing crisis.

Volunteers sort and display donated furnishings and support greeNest in all operations. To register to volunteer, visit our website at www.greenestws.org.

Partner agency case managers make referrals for furnishings once someone has stable housing.

greeNest also offers the Up Off the Floor Program, free beds for children, birth - 18 years.

Information about how to become a partner agency, find an agency to receive support, or how to support greeNest, please visit www.greenestws.org.
